Please feel free to copy and paste the message below into an email to send it to your Member of Parliament:

Please support the Senate's '6(1)(a) all the way' amendment to Bill S-3.

The Senate's amendment would entitle Indian women and their descendants to full 6(1)(a) status on the same footing as Indian men and their descendants. It is time for the decades-old discrimination against women in the Indian Act to end. Please support equal status for Indian women in 2017.
